THE SECOND OFFICE ADMINISTRATOR
SUPPLY CHAIN MANAGER
PRINT SHOP MANAGER

NEEDS: 600 orientation manuals covered and bound by 9 A.M.
PRIORITY: Speed

NEEDS: 12 sales proposals to knock top client's socks off
PRIORITY: Professional Look

NEEDS: Bind log book pages to send to loading dock workers
PRIORITY: Strong Binding

How?
COVERBIND BINDING MACHINE
Makes your binding jobs stronger, faster and generally, more awesome using a patented thermal binding process.

Eureka!

1. Choose a Coverbind cover style.
Coverbind offers eight different binding cover styles of the highest possible quality in a wide variety of colors, spine widths and document formats.

2. Bind it.
Place your cover and pages in the Coverbind machine. Wait one minute. Remove and let cool.

3. Voila! Done.
Strong, professional-quality binding in a flash.

COVERBIND®
thermal binding products at a glance

How many documents would you like to bind in ONE minute?

PERSONAL BINDER
Our smallest binder is ideally suited to short-run bound proposals that you produce in-house and on demand.

FEATURES:
- Manually operated
- Compact — great for small spaces and desktops
- Ideal for smaller runs
- Binds up to 8.5" x 11" documents
- Spine widths range from .0625'' to .5''

COVERBIND 5000
Has the capacity to bind multiple documents simultaneously providing a quick turnaround.

FEATURES:
- Desktop manual operation
- Up to 15 documents simultaneously
- Binds documents as large as 14.875" x 11" and as small as 5.5" x 8.5"
- Spine widths range from .0625" to 2"

COVERBIND 101 DFS
Easy-to-use, highly productive document binder that practically runs itself.

FEATURES:
- Automatic operation
- Rapid turnaround speed
- Up to 100 documents bound in less than 4 minutes
- Binds 8.5" x 11" documents
- Spine widths range from .0625" to .5"
